

## **GTT Recognized on CRN's 2024 Solution Provider 500 List**

*Leader in managed secure cloud networking solutions recognized for commitment to excellence in the channel*

**Arlington, Va., June 12, 2024** — [GTT Communications, Inc.](#), a leading global provider of secure cloud networking solutions for multinational organizations, is proud to announce that [CRN®](#), a brand of [The Channel Company](#), has recognized GTT on its 2024 Solution Provider 500 list.

“We are honored to be recognized by CRN among the top cloud networking solution providers in the industry. We strive to create Greater Technology Together with partners and customers, and the acknowledgment of our approach in this area is exciting,” said Mia Martuscelli, channel chief, GTT. “We are ready and able to provide our channel partners with the solution portfolio their customers need to meet the demands of today’s distributed IT and work environments, anywhere in the world.”

CRN’s annual Solution Provider 500 recognizes North America’s largest solution providers by revenue and serves as a prominent benchmark of many of the channel’s most successful companies. This year’s list of companies represents a combined revenue of more than \$501.2 billion, and the honorees are among the top influencers in the IT industry and the global technology supply chain.

As a long-standing partner to the channel, GTT is dedicated to enabling our partners by fulfilling our mission of connecting people and machines to the applications and data they need, anywhere in the world. The company’s range of cloud networking and managed solutions includes SASE, SD-WAN, internet, security, managed and professional services. GTT leads with a customer-first culture emphasizing accountability, collaboration, and partnership.

“Ranking on CRN’s 2024 Solution Provider 500 recognizes the service innovations and market responsiveness of the list’s leading technology integrators, managed service providers, and IT consulting firms,” said Jennifer Follett, VP, U.S. Content, and Executive Editor, CRN, The Channel Company. “These companies have shown an unflagging commitment to business agility, continued growth, and future success through a period of rapid IT channel change, including the expansion of Everything as a Service and GenAI disruption. Our congratulations go to each company named to this year’s Solution Provider 500!”
