

GTT Announces Appointment of Andrea Genschaw as CFO

Arlington, Va., Sept. 16, 2025 — [GTT Communications, Inc.](#), a leading global provider of managed networking and security services to multinational organizations, announced the appointment of Andrea Genschaw as its new chief financial officer. Genschaw brings more than two decades of financial leadership experience to GTT, with a proven track record within the telecommunications and technology sectors.

Before joining GTT, Genschaw served as chief accounting officer and controller at Lumen Technologies, where she led global accounting and finance operations, business intelligence, investment management, financial reporting, and compliance. In addition, she previously held senior leadership roles at Level 3 Communications, CenturyLink, PwC, and the U.S. Securities and Exchange Commission.

“I have had the opportunity to work with Andrea and have witnessed her exceptional ability to lead complex financial operations and enable strategic business execution,” said Edward Morche, GTT chief executive officer and board director. “Her deep industry insight will be indispensable as we continue to drive value for our shareholders and stakeholders. I am delighted to welcome Andrea to the GTT team.”

“I am incredibly excited to join GTT at this transformational time and look forward to working with the team to support our key initiatives,” said Genschaw. “GTT has tremendous opportunities ahead, and I look forward to supporting our customers and partners to build upon our long-standing commitment to innovation and operational excellence.”

Morche also shared his appreciation for Tim Medina, who has stepped down as CFO. “We also want to thank our retiring CFO, Tim Medina, who played an instrumental role in positioning GTT for success,” said Morche. “We thank Tim for his partnership and dedication.”

About GTT

GTT is a leading networking and security as a service provider for multinational organizations, connecting people and machines to data and applications — anywhere in the world. We serve thousands of organizations, bringing together the right people, partners and technology to reduce the burden on IT teams and solve the most pressing networking and security challenges. Built on our top-ranked global Tier 1 network, the GTT Envision platform provides visibility, insights, orchestration and control, enabling customers with consumable solutions to achieve business missions and meet ongoing demand when, where and how needed. Our portfolio includes SASE, SD-WAN, security, internet, voice and other connectivity options, complemented by a suite of professional services and exceptional sales and support teams in local markets around the globe. We partner with our customers to deliver Greater Technology Together. www.gtt.net.
