

GTT Appoints Mike Little as Chief Commercial Officer

Leading Networking and Security as a Service Provider Promotes Visionary Leader With Proven Operational Expertise to Serve as Its First CCO

ARLINGTON, Va., February 6, 2025 — [GTT Communications Inc.](#), a leading networking and security as a service provider for multinational organizations, has announced the appointment of Mike Little as the company's Chief Commercial Officer (CCO). In this newly created role, Little will lead GTT's brand, go-to-market and customer experience strategy across all channels to drive revenue and business growth.

"As our new CCO, Mike brings a unique and proven record of leadership, vision and execution to evolve our market position in support of the on-demand consumption models and technology innovations distributed enterprises require," said Ed Morche, CEO, GTT. "With his exceptional operational expertise, Mike will be instrumental in achieving new heights of success for accelerated profitable revenue growth."

"I am excited to lead GTT's marketing, customer experience and revenue operations team as we continue to be a leader in technology innovation and operational excellence with GTT Envision, our global platform for secure cloud networking," said Little. "GTT acts as a single global partner for networking and security as a service, and we are committed to delivering the simple and seamless customer experience to match."

Little joined GTT as Senior Vice President of Revenue Operations in 2023. He has more than 20 years of industry experience, with a background in finance, IT and business operations. Prior to GTT, he served as vice president of sales and commercial operations, supporting North American enterprise, wholesale and public sectors at Lumen. He has also held various leadership positions in financial planning and analysis, data analytics, and sales operations at CenturyLink and Level 3. Little holds a bachelor's degree in business administration from the University of Colorado Boulder.

About GTT

GTT is a leading networking and security as a service provider for multinational organizations, connecting people and machines to data and applications — anywhere in the world. We serve thousands of organizations, bringing together the right people, partners and technology to reduce the burden on IT teams and solve the most pressing networking and security challenges. Built on our top-ranked global Tier 1 network, the GTT Envision platform provides visibility, insights, orchestration and control, enabling customers with consumable solutions to achieve business missions and meet ongoing demand when, where and how needed. Our portfolio includes SASE, SD-WAN, security, internet, voice and other connectivity options, complemented by a suite of professional services and exceptional sales and support teams in local markets around the globe. We partner with our customers to deliver Greater Technology Together. For more information, visit gtt.com.
