

Two GTT Leaders Spotlited on the 2026 CRN Women of the Channel List
GTT's Sara Seegers and Brenna Sadler named to CRN's elite list of women making an impact in the channel.

Arlington, Va., May 18, 2026 — [GTT Communications Inc.](#), a leading networking and security as a service provider for multinational organizations, has announced that Sara Seegers, Senior Vice President Channel Sales, Americas and Channel Chief, GTT, and Brenna Sadler, Director of National Sales, GTT, have been recognized on the prestigious Women of the Channel list for 2026 by CRN®, a brand of The Channel Company.

This annual CRN list celebrates women from vendors, distributors, solution providers and other channel-focused organizations who make a positive difference in the IT ecosystem. The CRN 2026 Women of the Channel honorees are innovative and strategic leaders committed to advancing channel excellence and supporting the success of their partners and customers.

Seegers leads GTT's strategic relationships with technology services distributors (TSDs), selling partners, information technology consultants, and other third-party distribution channels. She steers the company's program to support channel partners with dedicated teams for sales, solution design and delivery to drive revenue growth and realize joint customer success.

Sadler leads GTT's national channel team. Under her leadership, the team continuously improves sales execution and partner engagement through shared objectives, defined collaboration models and a unified operating pace. Externally, her team works with key TSDs to deepen executive relationships and reinforce GTT's role as a strategic partner.

"At GTT, we have turned partner-first intent into partner-first execution," said Seegers. "Today, GTT's partner strategy centers on transparency, trust and results. We have rolled out a 'partner obsessed' mandate and aligned GTT's organization to support co-selling with a clear commissions structure designed for the channel."

"[GTT Envision](#) provides a platform that supports our full portfolio of services, including SASE, managed SD-WAN, security, internet, voice, and connectivity," said Sadler. "Our best-of-breed technology and consistent sales execution reinforce GTT's position as a trusted strategic partner that drives stronger channel performance, deeper partner commitment, and sustained, transparent growth."

"It's a privilege to celebrate the remarkable achievements of these women who are driving meaningful change across the IT channel," said Jennifer Follett, VP of U.S. Content and Executive Editor, CRN at The Channel Company. "Each honoree has demonstrated exceptional leadership and a commitment to bold, innovative strategies that fuel transformation, growth, and success for their organizations and the broader channel. We're proud to recognize their impact and look forward to seeing how they continue to shape the future of our industry."
